Information - [REDACTED] 25X1A

SUBJECT: Object 30 - Wismut, A.G.

Object 27 and 30 are the only objects in Thuringia. Object 27 is not important since all prospecting activities were suspended in The Hartz Mountains in December 1950. Obj 27 was in charge of such prospecting.

Object 30. In February 1951, had 4,000 workers, and all were, at that time, required to sign new two year contracts. In July 1951 work force estimated at 8-10,000 workers, and the following mines belong to Object 30:

- |                              |                             |
